RELATIONSHIPS:

LOLA LUPE: central to Rara's growth; main source of guidance though deceased

LITTLEFOOT: Rara's current companion; though she called for Kuring, she loves Littlefoot just as much and can't bear to be separated

PINA: an ate and old playmate to Rara (though she doesn't always call her "ate"); companionable but also scary and mysterious to Rara

PERSONALITY:

EMOTIONAL: quick to yell out when angry/sad, quick to panic, big heart

IMPRESSIONABLE: quick to amaze (i.e., @ new home and family magic)

SELFISH (?): doesn't want anyone to leave her

PLAYFUL: with Littlefoot!

KNIVES ☐:
(trauma, significant flaws/troubles)

Abandonment Issues - her father left, death of Kuring and Lola Lupe, disappearance (and possible death) of Littlefoot

RARA'S MOM: "Mabagsik ang hamppas ng bugtong ni Rara, pero matahimik and kaniyang bulong." Rara's spells are fierce, but her spirit is still weak.

ideas/notes for the
game. Feel free to
add more slides!

Her motivation for
most of her actions
so far is in part due
to her inheritance
rather than her
genuinely wanting
to pacify spirits?

She's scared of her
responsibility as a
Bailete but
increasingly
becomes more
determined to fulfill
it
